Circular

Dr.NTRVST/FOSS/2017 Dated: 25.05.2017

Sub: Dr.NTRVST-FOSS-Certain instructions to the Vaidya Mithras for performing their roles-Orders-Issued.

All the District Coordinators in the State are aware that the field staff including themselves have been assigned specific duties and responsibilities in performing their roles in order to arrange to provide quality and cashless treatment to the beneficiaries covered under all the schemes being implemented by the Dr.NTR Vaidya Seva Trust. Certain instructions have also been issued them from time to time in the matter.

In spite of specific instructions from the Trust it has come to notice of the Trust that:

- (I) the Vaidya Mithras are not taking care of the beneficiaries of the Schemes and that they are not performing their duties as Vaidya Mithras.
- (II) the Network Hospitals staff are collecting money from the patients in addition to the claiming package amounts for providing treatment to them under the Schemes.
- (III) The Network Hospitals are denying treatment to the beneficiaries for identified Therapies listed in the schemes, even though they have requisite equipment infrastructure and manpower but they are providing treatment on cash mode.

It is to inform that the Field Staff from the level of Vaidya Mithras to District Coordinators will play role in implementation of the Schemes run by the Trust. They have to perform their roles in effective manner in order to achieve the objectives of the Trust/Government.

All the District Coordinators are therefore requested to issue specific instructions to their subordinates and see that they are working in smooth and fair manner and stick on to their roles.

Any of the field staff fail to perform the assigned duties or noticed any lapses in performing their duties or received complaints against them, the District Coordinators are requested to send the proposals for initiation of disciplinary action against such a erring field staff for further course of action.

The above instructions may be followed strictly without any deviation. Otherwise it will be viewed seriously
