Sub:- Dr.YSRAHCT – P & C Dept., - Instructions for uploading Blood Grouping reports of beneficiaries in the Dr. YSRAHCT Web Portal – Issuing of certain Guidelines for NWHs-Reg.

As you are aware, the State Government has taken several steps for improvement of health care services under Dr. YSR Aarogyasri Scheme. Dr. YSRAHCT, as an implementing agency, is taking all the necessary measures to maintain the medical records of the beneficiaries under the Scheme.

Accordingly, as a part of maintaining the Medical history of all the beneficiaries, the Trust has taken another initiative by providing for Blood Grouping of the Beneficiary in the Dr. YSRAHCT Web Portal.

Hence, all the network hospitals are requested to perform Blood Grouping and Rh Type for all the beneficiaries under the Scheme and the Provision of entering Blood Grouping will be enabled in the Medico login while converting the registered case to IP / OP case. Further the Network Hospitals must upload the Blood Grouping report for the first time and the same will be reflected in the beneficiary details further automatically.

This is for strict compliance and the above orders will come into force with immediate effect.
