**Cir. No. Dr. YSR AHCT/Operations/I-1/2021, Dated: 15 .02.2021**

Sub: Dr. YSR AHCT – Ops – Time Limitation for Preauth Submission after IP registration from NWH to the Trust, in the online process for Dr. YSR AHCT cases – Online Deployment with effect from 22.02.2021 – Intimation to all the Network Hospitals – Reg.

\*\*\*\*\*

As you all are aware that, there are prescribed Time Limitations and Validations in the online process flow of approval for both Preauth and Claim cases as per the Service Level agreement in the MOU / SCA for better monitoring and quality control of the Schemes.

The Trust has identified that there was no time limitation for Preauth Submission from NWH to the Trust after IP registration of case at the NWH and noticed some discrepancy between TID (Emergency Telephonic intimation) and Preauth submission.

In this regard the Trust has decided to include new time limitation for smooth workflow of cases in online process. **Every case must be forwarded from Preauth NAM to the Trust for approval within 72hrs after IP registration, which will be applicable for both TID and any other cases of Dr YSR Aarogya Sri.**

Hence, all the Network Hospitals are hereby requested to note the Time Limitations for Preauth Submission and follow accordingly while updating the Preauthorization Cases of all schemes under Dr. YSR AHCT within the prescribed time-period.

Further, all the District Coordinators are hereby intimated to hold orientation meetings to both Network Hospitals and Aarogya Mitras immediately.
