Dr. YSR AHCT/Operations/20/30/010/2020, dated: .01.2021

Sub: Dr. YSR AHCT – Operations – Inclusion of Thalassemia procedure from IP to OP procedures – Submission of claims for already raised Preauths in IP – Reg.

Based on the representation received from “Kamala Hospital & Research Centre for thalassemia & Sickle Cell patients” requesting to convert the Thalassemia IP procedures namely, 1) Medical Management of Chelation Therapy for Thalassemia Major (M.2.3) and 2) Medical Management of Thalassemia Major requiring Chelation Therapy (M.4.6.1) to Day care procedures as the patient’s does not require the hospitalisation.

This will ensure faster delivery of services / treatment to the patient by reducing the waiting time for Preauth approval. The package amount of the above said two procedures are reduced from Rs.15,393/- to Rs.10,393/-.

In view of the above, it is instructed to all the Thalassemia empanelled Network Hospitals to submit their claims within 4 days i.e., from 04.01.2021 to 07.01.2021 for already Preauth raised cases. If the previous IP claims are not be updated within the above said period those claims will be auto cancelled and the hospital will be liable to lose claim amounts.
