**Sub:-**Dr. NTRVS – P&C – Selection of Co-Morbid conditions and claiming the Co-Morbid package amount in addition to the claim package amount by the Network Hospitals - Certain guidelines - Issued.

\*\*\*\*

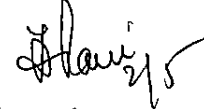

All the Network Hospitals are aware that the Co-Morbid packages have been designed and deployed in online during August 2013 for sanction of additional amounts for providing the specific treatment to the patients, if they are suffering with the Co-Morbid conditions as per the specific enlisted list of therapies under the Co-Morbid Category.

It is brought to the notice of the Undersigned that some of the Network Hospitals are resorting to select two or more Co-Morbid conditions and claiming the Co-Morbid packages without doing any special investigations and not providing any special additional treatment not providing, concerned specialist notes and relevant lab tests. It is also noticed that some of the Network Hospitals are claiming the Co-Morbid package amount even for Day care procedures like MHD.

In order to streamline the process, in selecting Co-Morbid conditions and to curb any malpractices and to facilitate the release of Co-Morbid package amount to the NWHs which are really providing additional specialist treatment, the following guidelines are issued to all the Hospitals for strict compliance while selecting Co-Morbid conditions.

- i. The Network Hospitals are permitted to select maximum two co-morbid conditions per beneficiary for preauthorization based on the prevailing Co-Morbid diseases and actual additional treatment required.
- ii. The total co-morbid conditions package amount shall be not more than the preauth amount.
- iii. The Network Hospitals shall not claim the Co-Morbid package amounts for Day care procedures like MHD, Ophthalmic and Dental etc.
- iv. The Network Hospitals shall produce evidence for the co-morbid conditions additional treatment provided with concerned Specialist Notes for Treatment provided, supporting Lab investigations, consumables and medicine given etc.
- v. The NWH may utilize the Enhancement.

All the Network Hospitals are requested to note and follow the above guidelines strictly without any deviations. Any violation of the above guidelines will be viewed seriously.
